

Hawk Update - October 3, 2022

Hello Hawk Families, this is Kristie Spenner, principal of Woodland Heights with our weekly update.

We apologize for the inconvenience, but Bus 375 will not run tomorrow in the afternoon. It will run in the morning, but if your child rides in the afternoon, we ask that you please put in a transportation change so we know you received the message and that we can ensure every child is getting home safely. We appreciate your flexibility and understanding.

A reminder that tomorrow is the culmination of our Penny Wars due to the remote day Friday. Tomorrow is the big day where students can go to any hallway and 'bomb' any class with lots of silver.

Please mark your calendars- this Wednesday is our second Early Release Day. Early Release Days are days built into the district calendar to allow for teacher training. Our teachers will be continuing LETRS training which is mandated by the state. Students will be dismissed at 11:00am on Wednesday.

It was wonderful seeing everyone at Curriculum Night last week! We had a massive turn out for our Parent Volunteer training, over 220 parents, but if you missed it, we will be offering additional training dates this month. After the training is complete and the background check comes back, individuals will be cleared to volunteer on campus. Dates coming soon!

The annual WHES Science Fair is coming in October. Please see the [Science Fair Link](#) for all the information. The due date for projects is October 21, 2022.

Strawbridge Studios will be on campus this Thursday, October 6 to photograph all students. Fall picture portraits are used for our student ID badges and our yearbook. You also can purchase individual sheets or packages, please see attached links for details. This is a great fundraiser for our school with 40% of the proceeds coming directly back to WHES. We appreciate your support. Picture make - ups will take place in January.

<https://strawbridge.fotomerchanthv.com/clients/woodland-heights-elementary/fall-pictures-10-6-2022-88/optIn> This link will allow parents to sign up to receive updates via email regarding their child's school portraits. These updates include promotions, additional deals and the ability to order more pictures at a later time. When entering student information, parents should be sure to enter the student's name as it is on file at the school.

The PTO will maintain a volunteer database with this information and will reach out as needs arise. Future volunteer training sessions will be announced soon.
