

Hawk Update - January 19, 2023

Hello Hawk Families, this is Kristie Spenner with your weekly update. I hope everyone is enjoying the weekend and taking time to remember Martin Luther King, Jr. and the contributions he made to our country. **"The function of education is to teach one to think intensively and to think critically. Intelligence plus character—that is the goal of true education."** -Dr. Martin Luther King, Jr.

Remember, there is no school tomorrow or Tuesday. We look forward to seeing everyone on Wednesday.
